6th Dec

Mary and Joseph have been much admired and enjoyed a happy night in the dining room with Blue the dog. The two evenings they had nowhere to stay have been sorted, I couldn't bear the idea that once again they had no where to sleep!

7th Dec.

Molly & Poppy have very much enjoyed having Mary & Joseph as their guests. They have been carried around the house and played with and all the sheep have watched T.V. (Something they probably have never seen before!!!)

The girls have drawn a picture and all three children Jacob, Molly & Poppy decided they would keep a small little lamb safe until Christmas eve!

9/12

The new arrivals have settled in nicely and have helped to create a Christmas good. They have spent a warm night in our kitchen and Rose the lamb (!) will be staying in Molly's inn until Christmas Eve...

Welcome to our family

11/12 Mary & Joseph went to visit the twins who were fascinated with them and then came home for the night.

It was lovely hearing them.

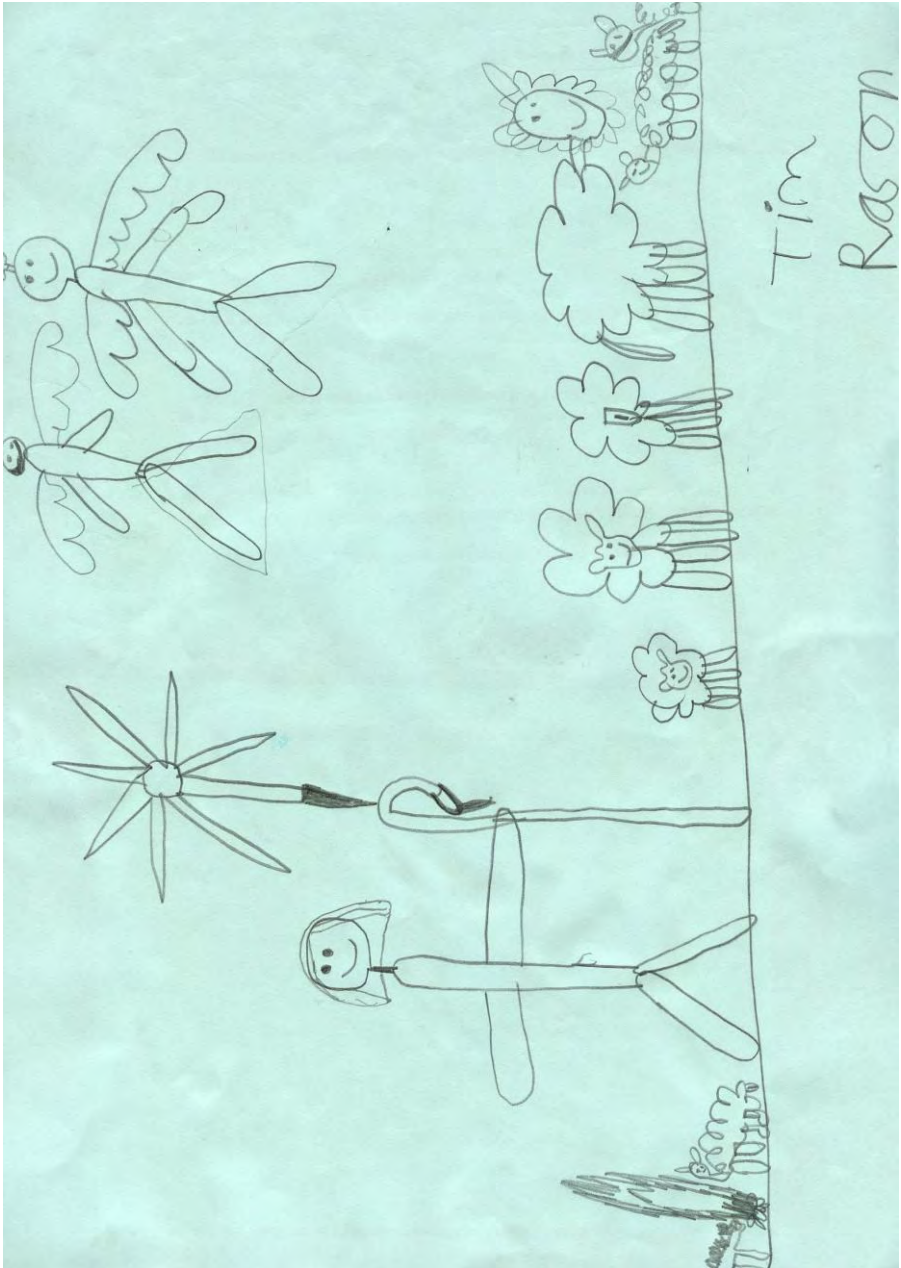

Christmas Poem from The family Rason

At first we saw the star in the sky
Then we heard a little boy's cry
Then we heard the shepherd's stir
Then we smelt the incense & Myrrh

Now we see a christmas tree
A star on top for you & me!
presents & crackers & carols to sing
It's Time to prepare for The Coming King!

18th December

Mary + Joseph arrived on a very exciting night in our house as our son Edward came home at the same time. He will be with us, Faith all the rest of our family to celebrate Christmas. We are all looking forward to wishing Jesus a Happy Birthday!

19th December

Mary + Joseph arrived at an inn, and with them, we enjoyed the company of friends for a pre-Christmas get-together. Felix (7) has drawn a picture of their stay here. Note the smiles of the proud Holy Family and the rather diminished number of sheep!
