Dear Mrs Thrupp,

It gives me great pleasure to write this letter of thanks to you, on the behalf of the Andover Action Group of the British and Foreign Bible Society.

I know, from bitter experience, how difficult it is to get Christians to come to a Bible Society Meeting; particularly when they are threatened with a Speaker. Therefore to get over a hundred to our Meeting last evening was a great achievement, especially in view of a number of other meetings arranged for the same date. For such a large attendance we have to thank the drawing power of the name of Hilary Thrupp on our invitations.

I doubt if any who came were disappointed. We thought the musical content was just right and your own contribution most delightful. Many who left immediately after the Meeting came up to me to express their appreciation of your singing. Those who stayed for coffee, I am sure, thanked you personally. Neville Cryer certainly appreciated your support.

We thank you and send you our best wishes. We hope it will not be too long before we will have the opportunity of hearing you again.

*Yours sincerely
R.E. Humphreys*
